## **ROCK SLAB**

### **MOLD NUMBER**

**3027 Lg. Rock Slab 16" T x 14" W \$108.00**

**PREPARATION:** After removing cast from mold, clean seam. Using a rough rock or similar object, press onto seam line to mimic rough rock texture. Cut out flag (pattern available from our website) or Halloween design as desired. "God Bless America" is using the Castellar font size 175 bold and Italic. To cut out letters leave a break in the letters as shown. RIP is using the same font at size 200, bold but not italic. Cut out stars using Kemper star punch tool. Bat design is available from our website. After cutting out design and letters, carefully clean using a sponge and a brush. Place hole for electrical. Allow to dry and fire to cone 04.

**BASECOAT:** Carefully fill inside of rock slabs with plastic grocery bags to prevent the inside of the slab to be painted with the basecoat color. Apply Light Taupe to the flag slab and Flat Black to the Halloween slab.

**ANTIQUÉ:** Flag slab only with Golden Buckskin Twinkle, be sure to antique the inside edge of letters and flag design; carefully wipe off excess with a soft cloth.

**DRYBRUSH:** Flag slab with one to two coats of the following: Light Taupe, Light Tan and Buttermilk. Adding White in your brush highlight lightly here and there. Drybrush Halloween slab with Regal Purple and Deep Purple. Drybrush these colors on a 45 degree angle. Highlight clouds and top of bats with extra coats.

**PAINT:** Blue area of flag with Navy, red areas with Cranberri, flag pole with Chocolate.

**DRYBRUSH:** blue area of Flag with Dark Blue followed lightly with Rich Blue.

**PAINT:** Veins in rock using the Mayco script liner apply a watered down white line on an angle as shown. Using a 10/0 liner apply heavier lines of White and Slate Gray and Flat Black as shown.
