Apply 2 coats of Oyster Shell over the entire piece staggering the second coat 1 inch from the base of the waves and pedestal areas. Apply 1 coat of Sea Spray to the dolphins. Apply one coat of Sea Spray beginning from the base of the wave or pedestal, feathering the glaze about 1/3 the way up the wave and/or pedestal. Apply extra blue Crystals from the Monsoon Seas to the top and upper areas of the waves and pedestal. Apply 1 to 2 coats of Snowfall as desired. Clean the bottom of the pieces with a wet sponge.
