Mayco Stroke and Coat-SC-94 Curry Around, **SC84** Dee John, **SC-5** Tiger Tail, **SC-23** Jack O'Lantern, **SC-51** Poo Bear, **SC75** Orange-a-Peel, **SC 34** Down to Earth, **SC-27** Sour Apple, **SC -26** Green Thumb, **SC-39** Army Surplus and **SC-48** Camel Back.

ANTIQUÉ: The pumpkins with a 1:1 mix of Camel Back and Water. Wipe off excess with a damp sponge.

FOR CUT OUT PUMPKINS: Apply a watery coat of Poo Bear to the inside of the pumpkins.

APPLY STROKE AND COATS: Using a plate as a palette apply a puddle of each color as follows in a circle around the edge of the plate: Curry Around, Dee John, Tiger Trail, Jack O'Lantern, Poo Bear and Orange-a-Peel. Using a soft fan brush load with water and using Orange a Peel as the major color, draw color from each of the other puddles. You will not really be mixing the color as much as grabbing a bit of each on your brush. Integrate water into your loaded brush so the color in your brush flows freely over the bisque. Begin at the top of the

pumpkin and draw the brush down to the bottom. Continue this until the entire pumpkin is covered, use water to help blend if needed. Allow the first coat to dry before you apply the second coat. Using the same method apply Green Thumb, Army Surplus and Sour Apple, to the leaves. Paint the stems with 2 creamy coats using Tiger Tail. Paint leaf design with 2 good coats of Down to Earth. When dry, use clear dipping. **Fire to cone 06.**
